Kids Fest is a one-day event with lots of products, information, entertainment, and fun activities for kids. The afternoon will include music, demonstrations, information and an opportunity to let young kids explore and play.

Who can Participate?

Vendors with clothing, books, toys and other products and services along with community organizations involved in education, sports, social skills, recreation, entertainment and other areas of interest to children are all welcome.

Kids Helping Kids

This event will raise money for the local non-profit organization, Big Brothers/Big Sisters. That money stays right here in the community helping Fairbanks' own young people.

Help Make it Fun!

Each booth should have fun interactive activities to offer. This keeps families at your booth so they can learn about your product or service while their children are being entertained. If you need help creating an activity we'll be happy to give you suggestions.

Promotion

Promotion includes television and newspaper, notices to elementary schools, public service announcements, interviews and posters.

Event Organizer

Kids Fest is organized by Trudy Heffernan of Evergreen Enterprises in partnership with Big Brothers/Big Sisters of Fairbanks. Trudy has been organizing events in Fairbanks for over a dozen years and has two children ages 10 and 13 years.
